Local Mademoiselle Heads For Top Of Worldwide Google

Karen Alexander-Bright
of Mademoiselle

Creating e-threads on the internet for business, no matter where you are, is vital in today's marketing mix when it comes to advertising your business. eLocal does just this with the majority of their customer base.

During this last month, Pukekohe business Mademoiselle reaped the rewards of e-thread success by occupying Number One place for a Google New Zealand search and a staggering Number Four search result Worldwide from 11 million Google search results - keyword Mademoiselle.

Karen Alexander-Bright of Mademoiselle says she is just overwhelmed by the results achieved by eLocal. "Who would have thought that little old Pukekohe would receive such attention. It's humbling, and shows that it doesn't matter where you are, when your business is advertised online. We will be organising products online on www.elocal.co.nz so people can shop online from Mademoiselle."
