2005 H2 SUT HUMMER
 OWNER RUSSEL SHERWIN

Made in the US since 1991. Developed from the Para military vehicles used during operation Desert Storm. **What's your favorite toy?** I like all my toys. **So why do you have this one?** I use it as a work wagon. **What's the reaction from your partner?** She enjoys cars as well and drives a 1930 model A. **What is your most favorite moment with your toy?** EVERY moment! It is like driving a 3.5 ton lounge suite... **Worst moment?** You can't print it... **What is your dream toy?** Stock 1932 Ford Roadster.

ALLAN SARGINSON has a brand new toy – a 1000cc Honda scooter. "I last had a scooter 30 years ago, but the rising petrol prices prompted me to go back on two wheels," says Allan. "In the six weeks I've been riding it, it's cost \$14 in fuel, compared to \$30 for 1/2 a tank of petrol for my car. It's great to ride – goes like a rocket!"

TOY OKANAGAN 5TH WHEELER CARAVAN. OWNER - JP WINCKEL

What's your favourite toy? Veni - ...2nd would be the 5th wheeler. **So why do you do have it?** The Okanagan..allows us the freedom to camp just about anywhere. Being fully self contained..ie grey water & black water containment means the authorities allows a greater flexibility for freedom camping. **What's the reaction from your partner?** Absolutely loves it. **What's your most favourite moment?** Being away from it all.. Worst moment In the middle of the Gentle Annie.. highway (actually single lane dirt track) between Taihape & Hastings and discovering a problem with Motorcycle mounting. Veni had to drive the rig..all in 4 wd..her first time driving the unit whilst I drove the bike to Waiouru. And noticing a sign on the way out that said NO caravans or trailers. **What's your dream toy?** Got it - Includes the kitchen sink.
