

Waiuku Christmas Parade 2008

It promised to be "Franklin's Finest" and it was! Parade fever hit the Waiuku community with a 'buzz' and the 51 floats showed some remarkable creativity to highlight the theme of *Kiwi Christmas*. The Festive Market was an event in itself this year with over 3,500 people visiting the market and Santa's Grotto was a busy stop for young families; many a photo was taken and many a lolly was consumed! Organizer of this year's event Donna Vincent says "This was an amazing event to be involved in. The participation and support of the Waiuku community made the event what it was".
