SKIN NAILS BODY

A sanctuary in the  of Pukekohe

JOCELYN NIXON  
Beauty Specialist,  
Owner of Images

Images Medispa stock several exceptionally effective sunscreens for most skin types, sports and water resistant and even the most sensitive skins. Come in for your free skin scan today to find out which level of sunscreen is right for you! Then you can apply your sun protection with confidence and get out there to make the most of your days - all year round!

*What you need to know  
about UVA and UVB.*

*Bonjour! Joyeux Annee! Happy New Year!*

- UVA ages and UVB burns
- UVA contributes to long term photoageing & breakdown of collagen & elastin fibres
- UVB burns and creates epidermal damage increasing risk of melanomas, age spots & pigment

*What can you do to prevent this happening?  
Use sunscreen!*

### Images Medispa Top Sunscreen Picks!

- Matis SPF40 75g \$60
- Joyce Blok SPF30 & SPF15 125g \$34
- True Solutions Sunscreens 100g \$50
- True Solutions Sports 200g \$70

*Fake It - Spray It!*

Natural Aloe Vera based self tan products in Joyce Blok Auto Bronzer \$39 and St Tropez Gradual Everyday Tan Builder with Moisturiser \$44.95 or fast track that tan with St Tropez Self Tan Mousse \$54.90. To remove excess tan build up we suggest St Tropez Self Tan Remover \$39.95.

For your ultimate summer tan, choose a professional spray application
