

DAVID REID SHOW HOME EXPERIENCE

RACHAEL VEALE & BRYCE GESNELL

"First impressions last and these houses give a great first impression which lasts from the time you walk through the doors as you walk through the whole house until you leave - in our case we didn't want to. These houses are very spacious, yet give you the ability to close off areas for privacy and/or entertaining. Yes, I believe that all the added extras such as sensed lighting, solar power, built in vacuum & audio controls recall set these houses apart from others. It sets the standard high for other builders."

MARTIN LEE

"Nice and large, has a very family oriented sense in and out flow."

ALWIN STUJDA

"Absolutely Stunning. Open plan living, definitely quality."

BRENDON HAMILL
Managing Director

Experience Counts. In the building industry it is impossible to replace experience. The traditional building skills of the past are more important today than they have ever been. Brendon Hamill the owner of David Reid Homes Counties Limited has been building quality homes for the last 20 years. Brendon says, "the day I started my apprenticeship my boss Peter drummed into me the importance of quality. That is why I love the David Reid Home brand, it is no nonsense, totally focused on quality and meeting customers expectations". As Brendon says, "my building experience covers all spectrums of the industry, which is unusual today, ranging from being the foreman on the Sky City entrance through to building quality homes in the greater Counties district". David Reid Homes are backed with their "DRH Performance Guarantee".
