"I would just like to thank everyone who voted for me and got me into the top three, and also the sponsors; with out them it would not have been possible. This competition was a fantastic opportunity and it was an amazing experience being able to work with Kristen and Alisha, and along side the local team and sponsors. Thanks again!"

"It's not often an opportunity like this comes along, so I would like to send out a huge thank you to the sponsors who made this possible. Having never done anything like this before I was unsure what to expect, and at the actual photo shoot everyone was really friendly and made me feel extremely comfortable. The experience has benefited me personally and I have learned a lot, so I would like to thank all those people who believed in me and got me into the final 3."

Monica, senior beauty therapist and talented makeup artist, wanted to show how great makeup application can turn everyday people into glamorous stars, where every girl can be a gorgeous cover girl. Images welcome your enquiries to help you with your make up selection and teach you the application techniques with lots of tips for easy use. Just a phone call away on 09 238 5670.

The range of girls who entered the competition were impressive, with entries from all over the Franklin district and from a wide range of backgrounds. With such an outstanding response to the voting, it is pleasing to see the how the integration of the magazine and the website has made this competition possible. Robert Harris Pukekohe and Ormiston are proud to sponsor an event that will give one of our young local ladies the opportunity and tools she needs to pursue her career as a model. Congratulations to all of the contestants who entered, and thank you to the community, who got behind the girls and supported them.

It was great to see such an overwhelming response in regards to the 66,000 votes received. It shows that Franklin is a supportive community when it comes to getting behind its local competitions and events. The young ladies who were represented as finalists were those who thought about their entry and the relevance of the prize. Of the photos that were submitted, some did not do the lovely ladies justice and possibly cost them a spot in the top 8. The competition was fun, and we are proud to have been involved as a business, as it gave us an opportunity to display some of our funky Najo Jewellery Collection which looked stunning on the contestants!
