

WormsRus Open Day Saturday 5th December 09

The team at WormsRus are having a free open day on Saturday December 5th on site in Karaka from 10am-3pm.

On display will be a unique selection of worm farms & composting systems, demonstrations will be held on how to build a worm farm from recycled materials, see the simple steps on how to make and use nutrient rich compost, worm castings & worm tea as well as personal advice on the best system for you to recycle organic waste for your home or business.

Demonstrations will be at 10.30am & 1pm.

Free 'Create Your Own Eden' composting guides will be available and enter the draw to win a WormsRus Bokashi system.

We are keen to help you find an easy recycling solution to any organic waste from home or business.

To find us get off the Papakura off ramp at 257a Linwood Rd.

Behind the Early Bird Cafe

We look forward to meeting you there!
