*"I would just like to thank everyone who voted for me and got me into the top three, and also the sponsors; without them it would not have been possible. This competition was a fantastic opportunity and it was an amazing experience being able to work with Kristen and Alisha, and alongside the elocal team and sponsors. Thanks again!"*

*"It's not often an opportunity like this comes along, so I would like to send out a huge thank you to the sponsors who made this possible. Having never done anything like this before I was unsure what to expect, and at the actual photo shoot everyone was really friendly and made me feel extremely comfortable. The experience has benefited me personally and I have learned a lot, so I would like to thank all those people who believed in me and got me into the final 3."*
