

# Let's talk David Reid Excellence...

"Your home is the biggest investment you will probably make.  
Build with the best"

**Brendon Hamill**

Managing Director Brendon Hamill continues "We take great pride in building a clients new dream home, this reflects in the quality of our work and our commitment to excellence. It's when a project is at the final stage of completion that we (my team) get a chance to reflect on our client's initial vision. The home presented in this elocal advertisement is a great example of just how we interact with our clients moulding their lifestyle, family requirements and dreams into a tangible living breathing home. It's the special touches and uniqueness to design that truly makes it a David Reid home to be proud of. It all starts with the vision. . . Your vision!"
