Kirstin MacPherson of Pukekohe is all set to “Live the Dream!” Kirstin is the winner of eLocal magazine’s Lucky Shopper Competition (Jan-Feb editions). Her stunning prize is a day cruise for herself and 11 friends on the Hauraki Gulf on the 38ft luxury catamaran ‘Cruzar.’

There was a huge response to the contest, with Kirstin’s lucky voucher drawn from over 3000 entries by Community Constable Noel Surrey. The winning ticket was placed in the competition box at Drive Thru Liquor Centre Pukekohe.

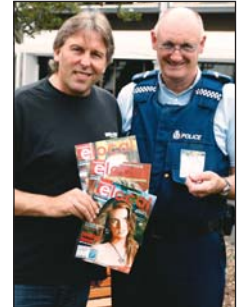

“It’s the first time I’ve ever won anything,” says Kirstin, clearly blown away by her unexpected good fortune. “Lynette at the Liquor Centre encouraged me to enter the competition. She asked if I had the receipt. I never keep receipts, because I’ve never won anything before. I didn’t believe it when eLocal rang to say I had won!”

Drive Thru Liquor Centre Pukekohe was the major sponsor of the competition. Manager Harry Singh: “We are delighted that Kirstin has won. For us at the shop, it’s been very successful, a different, original concept and really good marketing. We would be happy to be involved again in an eLocal competition like this.”

eLocal would like to thank participating retailers for helping create a buzz in town and making Kirstin’s win possible.

For Megan’s Sake Stem Cell Treatment ‘Amazing’

Three months on from her visit to the clinic in Germany for stem cell treatment, Megan’s progression is nothing short of amazing. It’s the little things that are significant to Mike and Jackie, like being able to call Megan’s name and have her turn her around to look at them, or Megan running her hands through her hair, a task that was impossible only six months ago.

Megan’s health has improved greatly as well, from a little girl who was continuously sick, she now only gets sick about once a month and her little body is able to fight off the infection faster. After struggling for years to put on weight, Megan has successfully achieved this after her treatment.

A second procedure in Germany is essential in order to help Megan progress further and this is scheduled in July this year. The Feltons are “almost there” with the costs of the second trip and treatment, and more contributions will ensure this vital treatment takes place. Mike and Jackie would like to say a warm, heart-felt “thanks” to all involved in getting Megan to Germany for the treatment that has made such a huge difference to her life. If you would like to help by contributing to her July trip for follow up treatment please visit www.formeganssake.co.nz. ■

Amazing progress from Megan
