

You Beauty

Specialising in the art of Arabic Sugaring (sugarpaste hair removal) and facial massages, Jackie from You Beauty provides a friendly environment in which to unwind and relax.

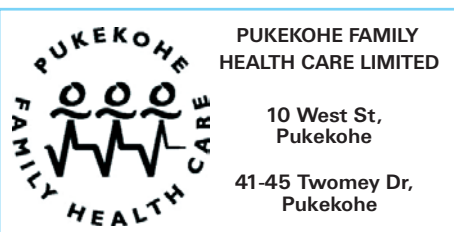

Prepare yourself for the lead up to Winter months with a range of Arabic Sugaring treatments, and then complete the look with an eyelash and eyebrow shape and tint. You Beauty also provides a range of men's hair removal for the more discerning men.

Choose from an Anti Ageing Hydrations Treatment, a Sensitive Treatment, or a Purifying Spa Facial for complete relaxation or purchase a gift voucher for a facial for that special someone.

Book in for a facial now and You Beauty is offering the first 30 callers a facial massage for \$50, normally \$80, for a facial of your choice.

Contact Jackie now on 09 239 2247 or 027 229 6955 to book your appointment.
